

KILLIAN QUENTRIC

(+33) 7 86 48 51 26 | killian.quentric@dauphine.eu | Bordeaux, France

Driven by impactful investments that unite long-term vision with human progress in sectors like environment and energy. Experienced in industrial economics and strategy through three internships supporting C-level executives, I am **available as of June 2026** for a Strategy & Investment Analyst Position.

WORK EXPERIENCE

Veolia, Paris

(6 months) 2025

Corporate Strategy Analyst

Group Head of Strategy (internship)

- Executed market analyses on strategic energy assets (heating networks, electrical flexibility)
- Partnered with BUs to evaluate M&A opportunities and report to the Executive Committee
- Evaluated business models and key metrics (EV, IRR, NPV...) for US hazardous waste and recycling treatment plant development
- Prepared strategic materials and presentations for the annual C-level executive seminar

Chaumet - LVMH, Paris

(4 months) 2025

External Consultant

- Evaluated the Chinese luxury e-commerce ecosystem to advise the marketing team
- Analyzed key digital platforms for hard jewelry to deliver strategic recommendations

Saint-Gobain, Paris

(6 months) 2024

Medtech Innovation & Marketing Analyst

Life Science Division – Catheter Systems (internship)

- Identified key growth trends within the minimally invasive surgery sector (LAAC, Bariatric)
- Represented the division at the Medtec Live trade fair and helped increase leads by 50%

Credit Agricole Assurances, Paris

(6 months) 2023

International Partnerships Junior Officer

Group Head of International Activities (internship)

- Contributed to due diligence and sourced strategic prospects for German market expansion
- Tracked macroeconomic and banking trends to support strategic decision-making
